

# 2019 Preschool Program

At the Edward Schock Centre of Elgin Preschool, children learn in a rich environment designed to foster your child’s independence, curiosity, growth in self-confidence and provide for social and emotional growth. Each week our curriculum involves themed studies with focused learning objectives, along with time to explore, imagine and free-play. Our teachers offer a variety of structured and unstructured activities in both small and large groups to engage each child’s individual learning style. In addition, our program encourages creativity and exploration in the areas of dramatic play, science, math, literacy, music and art. Your child will learn to share, create, explore and interact with children of similar ages.

**REGISTRATION BEGINS SATURDAY, FEBRUARY 16<sup>TH</sup>**
