What if the class my child is registered in gets cancelled?

When a class is cancelled the amount paid by the registrant becomes an account credit and the subsidized amount is returned into the individual's available funds. Both amounts can be used for future registrations*.

What is the Youth Scholarship Fund?

The Recreation Youth Scholarship Fund was established to provide financial assistance to young people in Elgin whose families cannot afford to register them for recreation programs. It is funded through the generous donations of Elgin residents and companies, as well as through special event fundraisers. Scholarship assistance is limited to existing funds on a first come, first served basis, and is available only to youth that are residents of the City of Elgin, as long as donations last.
