## Learn-to-Swim

Swim lessons are a great way to increase your child's confidence while setting the foundation for a healthy hobby. All Learn to Swim lessons are taught under the philosophy of the American Red Cross. The Learn to Swim Instructors follow the recommendations of the Red Cross in their teachings. Each level introduces a challenging variety of activities for the student. At the first class each child will be evaluated to determine his/her ability level. If needed, we will accommodate participant by placing him/her in appropriate level if space permits in the class. Any cancellations are made up in the week between sessions. For cancellation information, please contact the Adventure Island Courtesy Desk at (847)-531-7030

### American Red Cross Level Descriptions

Four age group levels are scheduled for skill learning progressions:

Parent/Preschool Orientation:

Ages 6-36 months: requires adult participation

Preschooler:

age 3-4 years: without adult participation

Preschool/Beginners:

age 4-5: without adult participation

Age Suggestion for Level 1-6

Level IV: age 8-9: without adult participation

Level VI: age 10-11: without adult participation

## Absence Policy

Due to the large volume of swimmers the city instructs, we are not able to accommodate make-up swim lessons due to participant absence. If for some reason The Centre has to cancel a class, the class will be made up at the ninth week. Thank you.

## Elgin Cyclones Swim Team

Are you looking for a competitive team to further your swimming career? Or are you looking for a fun way to learn the sport of swimming? If you answered yes to either of these questions, look no further than the Elgin Cyclones Swim Team. The Cyclones are a year round competitive team that competes at the highest level of swimming and still nurtures the novice swimmer to become a great swimmer. Summer registration is currently underway. The season lasts until late July depending on time standards and qualifying times. All Cyclones must join USA Swimming. Team evaluations will be held on April 2 from 10:00am – noon at The Centre of Elgin. Swimmers new to the Cyclones who have not been previously evaluated by a member of our coaching staff should bring suit, goggles, and a cap so that they can be evaluated and placed in the appropriate workout group.

### Cyclones Swim Academy

Cyclone Swim Academy is a training ground for swimmers who want to learn the basic skills necessary for competition – namely, legal competitive stroke techniques, competition turns and starts, and what it means to be a good teammate. The minimum requirements to pass an evaluation to train with the CSA group are: classroom behavior, desire to join the Cyclones, complete comfort in deep water, 25 yards swimming freestyle with rhythmic breathing skills and 25 yards backstroke – both swims must be non-stop.

A practice meet with prizes for all participants will be held during each 10-week session to give CSA swimmers a beginner’s sense of what’s expected at a big meet.

Swimmers and parents are expected to participate as full team members. All swimmers must join Illinois Swimming at the time of registration.

Advancement to Bronze Group is wholly the decision of the Bronze Coach, based upon skill proficiency and other considerations specific to the Bronze Training Group.

### PreTeam

This training group is for the 9 & over beginning competitive swimmer who does not have the background to train with the Silver, Gold, Platinum or Senior Groups. Pre-Team training is designed to help the beginning pre-teen and teen swimmer meet the Silver, Gold, Platinum or Senior Group requirements. It is quite likely that swimmers will remain in this group for at least one season before being accepted in the higher level groups. To be a member of this training group, a swimmer must be able to effectively swim a 50 Breaststroke or a 50 Freestyle with rhythmic breathing; swim a 50 Backstroke; perform a head-first standing dive in deep water; Dolphin kick for 25 yards. Swimmers must join Illinois Swimming upon registration because they will be expected to participate as team members upon joining this group. Required equipment is: competition training swimming suit, goggles, swimming cap, and training fins. Required training is at least 3 days of the 4 possible days of training per week.

### Bronze Group

The Bronze workout group is the initial team experience for the beginning Cyclone swimmer aged 6 to 10. To become a member of this group, swimmers must be able to perform the following: 50 yards of freestyle from a standing dive; 25 yards each of butterfly, breaststroke and backstroke (25 yards of streamline dolphin kick may be substituted for the butterfly); and a freestyle flip turn. The ability to listen and to follow directions is important for success in this group. Swimmers should have competition-type swimsuit, goggles and swim cap; swim fins are strongly recommended (see our website for appropriate type). Swimmers are placed in this group based on an evaluation conducted by a member of the Cyclone coaching staff – no exceptions. Fins are required.

## NEW – Tobacco Policy

The City of Elgin is committed to making our community a healthy place to live, work and recreate. To help us achieve that vision the City Council recently passed an ordinance banning all tobacco substances from most of the city's parks and recreation facilities. The only exceptions to this tobacco ban are the three city golf courses, Festival Park lawn area during concerts, and the sports complex softball fields during adult programs and events.

Banning tobacco substances from our parks should result in several benefits, including elimination of second hand smoke, reduction in the amount of park litter and most importantly positive role models for the young people that use our parks and recreation facilities. We are asking that all residents and users of our parks help us to spread the word of this new ordinance and that compliance comes through peer pressure and social norms. If you wish to read the full ordinance you can find it on the city's website, by doing a search for Ordinance No. G48-15.

## Recreation Youth Scholarship Fund

Families with certain economic restrictions are eligible to receive financial assistance through the Elgin Parks and Recreation Youth Scholarship Fund. The intent of the scholarship fund is to offer assistance to youth wanting to participate in recreational opportunities who may not otherwise have the means available to participate. Scholarship assistance is limited to existing funds on a first come, first served basis, and is available only to youth 17 years or younger who are residents of the City of Elgin.

The Youth Scholarship Fund can be used to subsidize the resident fee of certain recreation programs (including, but not limited to, youth outdoor 10-punch pool passes, basketball, soccer, art classes, dance classes, etc.) for a participant 17 years of age or younger up to a maximum limit of \$100 per year, per individual. The participant pays only \$5 toward each program registered for and any program fees above the \$100 limit.

For more information call The Centre at 847-931-6123 or visit The Centre's Administration Office, lower level, located near the Banquet entry. For details on how to qualify for the Youth Scholarship Fund, go to [www.cityofelgin.org/YSF](http://www.cityofelgin.org/YSF).

The Youth Scholarship Fund is funded in part by the generous donations of people like you.

During these trying financial times there is more demand for youth scholarship funds than is available. Please consider making a donation of any amount to this very worthwhile cause. By donating to the Youth Scholarship Fund you can have a positive impact on the life of a young person right here in Elgin.

You can make a donation by using the general registration form found on page 89 or else you can make an on-line donation for the Youth Scholarship Fund at the City's website by accessing [www.cityofelgin.org/YSF](http://www.cityofelgin.org/YSF).
