The Women's Nine & Dine golf outing benefits the Elgin Recreation Youth Scholarship Fund which was established in 1993 to provide financial assistance to young people in Elgin whose families could not afford to register them for recreation programs. Often the children of these families are the ones that need the positive benefits of recreation the most. To learn more, view the [YSF brochure](#).

In 2016, the Elgin Recreation Youth Scholarship Fund provided over 742 scholarships to those wishing to participate in programming. Be a part of giving back to our most at-risk kids in Elgin by sponsoring our event. All proceeds will go to the fund—to the kids!

All payments, artwork, website links, and any additional info should be provided for your sponsorship by June 9th
